2. Take a celebratory picture with this prop featured in it. Ideally the picture should be taken at your cause' premises - at the sports club, at the animal shelter, at the school etc. a nice big group picture would be best!
3. Share the picture on your cause' social media channels - YOU MUST TAG US IN THE POST! And include hashtag #DonationDay - include a thank you message to your supporters too!
4. Do the above by midnight on Sunday 18th May and we will choose one qualifying post at random from all social channels - the cause which shared the post selected will win a bonus £50 donation!

Good luck, we can't wait to see those pics!
